FYI, this reportedly happened at Beso/the Comedy store last night.

We are having a large stakeholder meeting next week to discuss the situation on Ivar; SLO Eubank will be representing LAPD.

Could you please keep Hollywood/Ivar on your radar for HED night watch.

Thank you,

I just got this from the Beso people. Their business was targeted this past week with a broken front window now the Comedy store. We've never had a broken window in over 20 years of owning the building. There definitely seems to be some retaliation going on or something?

Dave
